SELECTMEN'S REPORT

The 2008 municipal year in Rollinsford enters the history books as one with considerable change and achievement. The renovation of the Town Hall Tower started in the fall and continues to progress this winter. The contracted cost of the project will be \$105,500, coming in under the \$128,000 appropriation approved at the March 2008 Town Meeting. The Highway Maintenance Building and the new Salt Shed are nearing completion off Jesse Doe Road near the transfer station building. This project exceeded the \$225,000 appropriated at the 2008 Town Meeting, by about \$45,000 to increases in prices of materials, steel, concrete, etc., and some unplanned expenditures for special interior paint required by building codes. Transfers from the contingency fund and highway department funds covered the cost overrun. The good news is that we have a quality highway facility that was paid for without the need for any funding. The highway department dump truck has a new \$8,000 bed that replaced the old bed that was falling apart due to years of wear and rust associated with hauling salt and sand.

Just before Christmas, Sam Mick took down the Old Redman Building at contract price of \$18,000. A major portion of the removal cost was due to transportation costs and demolition fees at a recycling facility in Maine. State regulations prohibited burning or burying of the demolition materials in town.

The renovation and resurfacing of South Street during the summer cost approximately \$65,000. Price increases for highway construction material severely limit the area that the road resurfacing funds will cover. Consequently, the proposed 2009 capital budget line item for road renovation and resurfacing has been increased from \$60,000 to \$75,000.

The 2009 Rollinsford property tax rate increased to \$17.10 per \$1,000 of assessed value. The property tax collected was distributed as follows, Town 12.2%; county 12.8%; and school 75%. While many people plead for control of tax increases, the proposed budgets for the 2009 tax year will require an increase of \$1.50 in the tax rate for the school, a 2.85% for the county, and a few cents decline in the town.

These expected tax rates could increase if non-tax revenues decline below 2008 levels. Revenues from auto registrations, state revenue grants for highways, education, and interest on idle funds, represent revenue areas that could decline in 2009. If the legislative attempts balance the state budget by eliminating some of the highway and educational grants received by local education and municipal governments, the property tax rate could jump significantly more than the \$1.60 tax rate increase that the Selectmen think will occur in the 2009 property tax rate in Rollinsford. Property tax payers should keep a close watch on the actions of the state legislature in 2009, as our representatives and senators attempt to deal with the state budget crisis. Local officials fear that downshift of the state budget crisis to the local level will create even higher property taxes.

Tom Mansfield, a former Selectman, 1986 to 1989, and Jeff Bergeron, long time Rollinsford fireman and former Highway Department Road Assistant, passed away during the last 12 months. These men, who served the Town of Rollinsford well in the past, contributed their time and talents to making Rollinsford a better community. We also pause to recognize the contributions of Betty Casey, who was a teacher in

Rollinsford Grade School for 20 years in the 1960-1980 era. During 2008 Rollinsford welcomed Police Officer Jonathan Baker in August as a full-time officer after he had previously served as a part-time officer.

The State of New Hampshire requires the town to revalue its assessed property in 2010. This revaluation process will begin in 2009 with home visits to verify building measurements, uses and structural conditions. The data verification process will be completed in 2010 and the new values will be sent to property owners in the summer of 2010, followed by meetings with owners who wish to question new values. Given the current real estate market, it is expected that property assessed value may decrease on structures. However, a given percentage in property values will be offset by a corresponding increase in the property tax rate in order to generate the expenditures approved at the school and town meetings in March. Revaluation is required to insure that each property assessment reflects market values, but it will not reduce overall taxes collected. The only way to reduce total property taxes is to reduce expenditures or find new alternative sources of revenue.

Commercial and industrial property development has long been proposed as a way to reduce residential property taxes. In 2008 a new industrial firm – Atlantic Recycling- joined the C & J and Clearwater Artesian Well business firms along Jessie Doe Road. Other small business firms have sought business sites in Rollinsford, but industrial sites in Town have been difficult to find. The Town needs to provide other industrial sites besides the Jessie Doe area. An Article in this year's Town Meeting Warrant, addresses this issue by requesting that the gates and bars be removed on part of Indigo Hill Road in the industrial area to provide access to adjacent land already zoned industrial. After removing the gates and bars, the adjacent property owners could propose to subdivide and bring the road up to Class 5 standards required for industrial development.

During 2009, the Town of Rollinsford will be in Strafford Superior Court to address the issue of condo development in the Commercial II zoning district adjacent to Somersworth and Dover. The town zoned the area for commercial uses, however, a developer proposes to construct about 250 residential condos in the zone.

The Planning Board has proposed eight amendments to the Zoning Ordinance in the 2009 Town Warrant. These amendments will be voted on by official ballot on Tuesday, March 10, 2009 at the Town Hall. The Selectmen support all the proposed amendments, which are of an editorial nature to clarify issues rather than to make substantive change in the zoning ordinance.

The other budget issue that has evolved in the 2009 Warrant involves the staffing and funding for the Public Library. While most people strongly support the library, there are strong difference in how citizens think the library should be staffed and financed. Any public activity can be financially supported in three ways: 1) by use of volunteer help; 2) by private donations, fees and grants; and 3) by public support with property tax appropriations. The Selectmen have received four petition Warrant Articles concerned with the operation and finance of the Rollinsford Public Library.

Once again, the Selectmen thank the residents for their participation, understanding and cooperation in the process of governing the Town of Rollinsford. Likewise, we acknowledge the debt of gratitude that we owe to the many volunteers on committees that give many unpaid hours to the Town. The professional service of members of the Fire Department, Police Department, Highway Department and the Town Administration Staff is recognized and greatly appreciated.

Robert O. Ducharme
Chief of Police

Sergeant

Emergency: 911
Dispatch: 742-2724

The Rollinsford Police Department saw some personnel changes over the last year, which should yield some additional hours of routine preventative patrol. First, my position has been reduced to a part time position (30 hours week), with all the same work related requirements. I will still continue to be a 'working chief'. Second, part time Officer Jonathan Baker was promoted to full time officer replacing the full time position vacated by me. Officer Baker is scheduled to attend the 14 week full time police academy in Concord beginning in January, 2009. Part time Officer Jason Talon was hired to fill the position vacated by Officer Baker. Officer Talon successfully completed the part time police academy in December, 2008.

Our calls for service and officer initiated activity continues to show a slight increase from the prior year. Time spent on criminal investigations also increased as a result of increased criminal activity, which reduces the amount of routine preventative patrols. I am happy to report an overwhelming majority of our crimes are solved.

There has been some speculation and rumors concerning the building of a new police station. I would like to report to the citizens that a "Building Committee" has been established by the Board of Selectmen to review the current on-going water infiltration and mold problems at the station. The committee will report to the Selectmen on the current conditions, and any remedial actions that may be necessary to correct the problems. As part of the review, the Committee will evaluate whether or not to move the police department from the cellar of the town hall to another location. It is well known that my preference of a new location would be the former site of the Highway Department on Silver Street. This site is already owned by the town, level, and more centralized to the entire town. As of now there are no immediate plans to build new or plans for corrective actions at the current facility as the committee is being very thorough in its review, and there are no cost figures available at this point for either plan as well. We are mindful of the current economic

situation and will present an open and frank discussion with the citizen's of Rollinsford before any plans move forward.

We participated in a multi agency purchase of a radar trailer with electronic display sign. We share the sign with the Barrington and Milton Police Departments as well as the Strafford County Sheriff's Department. If you would like to have the sign set up on your roadway, feel free to give me a call.

The citizen's of Rollinsford are an exceptional group. I witnessed neighbors helping neighbors during the extended power outage. Private citizens assisted the police and fire departments with debris removal from roadways to expedite the opening of roadways during recent severe storms. The Rollinsford Police Benevolent Association's Holiday Food Basket Program exceeded its goal in donations for helping the less fortunate at Thanksgiving and Christmas, and with its annual letter campaign, despite the current economic conditions. The folks in town always seem to come together in difficult times. Our community certainly is better off when we all work together.

I would like to thank the members of the other town agencies, committees, and boards for their assistance and cooperation in working with the police department.

In closing I would like to thank the citizen's of the Town of Rollinsford for allowing me to serve for the last 28 years.

Sincerely,

Robert Ducharme
Chief of Police

Effective March 14, 2009 I will be retiring from the Rollinsford Fire Department with the rank of Fire Chief after 34 years of committed service to the Town of Rollinsford. I am very proud of my many accomplishments and also of the accomplishments that many of my current and previous department members have done. I would like to thank everyone who has supported me during my time on the fire department. It has been a pleasure to be your Fire Chief.

I anticipate that the department will continue to move forward and support the town as they have done so well under my direction. We have strong and dedicated firefighters who want to train and assist the town in their times of need. I also need to commend many of the firefighters for their dedication during the ice storm in December. These firefighters worked day and night and slept on cots at the fire station with very little heat and only power from a generator for days until the town was fully powered again. That's dedication and I am publicly thanking all of them for a job well done.

Please help us by adopting a fire hydrant by your home and keep it clear of snow. This greatly assists the fire department during the winter months.

Sincerely,

Harry S. Knowles
Rollinsford Fire Chief

RECREATION DEPARTMENT

Summer Recreation Dates

June 29th to August 7th
9 AM to 3 PM

Resident Fee: \$50.00 per child
Resident fee for a family: \$95.00

Non-resident Fee: \$60.00 per child
Non-resident Family: \$145.00

\$20.00 for those playing sports only

The Rollinsford 2008 Summer Recreation program served 110 children representing 81 families. The program operated from June 25th through August 1st from 9:00 am to 3:00 pm daily. The cost for Rollinsford residents was \$40.00 per child or \$85.00 for a family. Non-residents were charged \$50.00 per child and \$125.00 for a family, space permitting. Students who attended the program for sports teams only were charged \$15.00 for residents and \$25.00 for non-residents.

A total of six field trips were planned. All field trips had a minimum fee of \$5.00 to cover transportation costs. Field trips included York Beach, Milton Town Beach, Water Country, a Fisher Cats game in Manchester, Hilltop Fun Center and Fun Town/Splash Town. Field trip fees ranged from \$5.00 to \$25.00. The regular recreation program is not held at the school on field trip days.

A director, an assistant and 8 counselors are employed with the program. A variety of snacks are sold to students for a nominal fee. Lunch type items such as pizza and hot dogs are sold on some days.

A total of \$4111.00 was returned to the town which resulted from registration fees and profits from the food items sold.

First Student transportation charged the same in 2008 as it did in 2007. We are not guaranteed the same rate for 2009.

The committee is anticipating an increase in payroll as a result of the minimum wage increase and associated costs. The anticipated payroll increase makes it necessary for the committee to ask for an additional \$2000 to be added to the Summer Recreation budget. The profits realized from the increase for non-resident fees and the sale of food will be returned to the town as in the past. .

The committee is also considering holding a fundraiser, possibly a yard sale prior to the start of the program. A donor has also volunteered to supply the pizza sold which will result in all pizza sales being a profit. Another donor has also offered to supply the cheese and nacho chips sold to students which will make all nacho sales a profit.

The committee is anticipating a possible increase in enrollment as a result of the state of the economy. Child care costs are rising and the Rollinsford Summer Recreation program is an affordable alternative for school aged children to spend the day and participate in organized games and activities while being with their friends at an affordable cost.

ROLLINSFORD PUBLIC LIBRARY - 2008

It has been an astonishing and unprecedented year of accomplishment for the Rollinsford Public Library. In just twelve months a fully operational library has been created at no cost to the town. Hundreds of volunteers gave thousands of hours, and tens of thousands of dollars in materials, funding, and services to make the dream of many - to create a library in Rollinsford - a reality. We cannot express in words the depth of our gratitude to all who have contributed to this long-running grassroots effort. Members of our community from the youngest to the oldest have given their time, energy, and money, and they can now use (and call their very own) one of the finest small libraries in the state.

At this point, the library has amassed approximately 10,000 volumes in its collection. We offer free Internet access to the public at four computer stations as well as free wireless Internet access. The library currently subscribes to 25 monthly periodicals and a state database system that offers 1,900 periodicals in full text online to all patrons. The library also has a community meeting room for public use and groups such as the Girl Scouts, the DAR, Town Boards and others have regularly scheduled meetings at the library. Several classrooms in the Rollinsford Grade School walk down monthly with their teachers to visit the library, thus fostering a commitment to reading and literacy in the community.

Many special programs are offered including a children's summer reading program and story hours for preschoolers. Programs for adults include reading groups, a community knitting group and a speaker's series co-sponsored by the Historical Committee. The library also has an interactive website (rollinsfordlibrary.org) set up to serve as a venue for communicating to the residents of Rollinsford about meetings and cultural and social events in the town.

After three months of volunteering in the library, Tamara Niedzolkowski was hired as library director by the Trustees in June to facilitate the development of the library to its current state. As the only employee of the library, the director coordinates access to free services provided by the State Library to NH libraries within its system including interlibrary loans, the downloadable audio book consortium, and the reference databases, including EBSCO.

All library programming is also designed and executed by the director. In addition, she manages a staff of 22 regularly scheduled volunteers who contribute approximately 175 hours of work per month, the equivalent of four full-time employees. These volunteers allow the library to operate between 28-31 hours per week. All books in the collection are in the process of being electronically catalogued by volunteers and our website allows patrons to search the collection from home via the Internet.

During the past year, many materials were also donated to the library including, but not limited to furniture; books; shelving; used computers, printer, bulletin boards, vacuum cleaner; clock; magazine subscriptions; library cards; etc.

2008 Library Timeline

February 2008: Lower mill space donated by the Cutter Family Properties converted from a warehouse area into a library. Scholastic Book Fair held to raise money for special shelving in the children's room.

April/May 2008: Four Introductory Open Houses held to introduce new library to the community. Windowpane campaign launched as an ongoing library fundraiser.

June 1, 2008: Library opened to the public for summer hours which also included monthly adult reading group, bi-weekly summer children's programs with guest readers and performers, and a weekly library promotion booth at the Front Street Market. Library director participated in training at the State Library to qualify Rollinsford for access to free and other services offered to municipal libraries.

July 2008: First annual fundraising event held in Rollinsford at the home of a member of the Friends of the Rollinsford Public Library. Residents raised several thousand dollars to support the library.

September 2008: Fall hours began. Staff of 22 permanent volunteers were trained and assigned tasks including cataloguing the collection and patron services. Volunteers averaged 174 hours a month in service to the library. Community meeting room utilized several evenings a week, including for Girl Scouts and other town and civic groups. Children's story times offered on Monday mornings and two evenings a week. After-school homework help made available on Tuesdays. Adult reading group met once a month. Teen Advisory Board formed. Grand opening party held for the community. Special guests included State Library representatives, famous children's author Tomie DePaolo and other local authors and performers. Four classrooms from Rollinsford Grade School scheduled to walk to the library once a month for the entire school year.

November 2008: Library featured special children's programs and performances on Thursday evenings. These included a professional flutist and a paper-cutting artist. A fully-electrified miniature village store and post office was on display from Nov. 20 through Christmas. The entire building measured 59" long by 29" wide by 33" tall. Magician B.J. Hickman gave a free performance for children during Artist Open Studios weekend in the mill. Hundreds visited the library during this weekend.

December 2008: Rollinsford Public Library completed and submitted the Finlay Challenge Grant application part of which included 1,097 Rollinsford Library card memberships. Rollinsford residents hold over 1,000 of those memberships. Special programs continued to the end of the month for children of all ages.

Rollinsford Historical Committee

After rebuilding the timber bridge on Newichawannock Trail in summer 2007 for the second time in nearly two years, the Rollinsford Historical Committee experienced a relatively quiet year in 2008. Over the past decade, the committee has sponsored a number of hikes along historic Newichawannock Trail and Indigo Hill Road, thus sought a new path to walk this year. Accordingly, a hike was scheduled for May 4 along the Salmon Falls River trail between Somersworth and Rollinsford. Unfortunately, the day was rained out and the hike rescheduled for the fall.

The hike did happen five months later on October 5, starting from the Malley/Pray Farm (now the Somersworth Group Home), continuing across Pray Brook, the Rollinsford town line, and along the river, ascending through Scout Lands to the abandoned railroad bed, and finishing at the Salmon Falls Village Park for hot dogs and cider.

The autumn events continued with the lecture, "Have a brisk hot fire: 18th Century Hearth Cooking", delivered on November 12 by social science teacher and town resident Julia Roberts at the Colonel Paul Wentworth House in the village.

Soon after the gazebo in Salmon Falls Village Park had been repainted by committee members in the late summer, the park began suffering repeated vandalism, first the gazebo itself and then the granite posts. The park is the fruition of hundreds of man-hours of labor, not only by committee members, but by many resident volunteers of good will. Its continued destruction is a terrible shame and an inexcusable lapse of our town's social order.

During spring 2009, the committee will host two Tuesday night events underwritten by the New Hampshire Humanities Council, both at the public library starting at 7 p.m.: Prof. Marcia Schmidt Blaine will present "Liberty and Lumber: The Rise of Revolutionary Spirit in Early New Hampshire", on March 24, and Jeff Warner will sing and play various instruments in "Banjos, Bones, and Ballads", on April 21. There is no charge to attend.

After serving for a decade and a half on the historical committee, including as its first chair, and a decade later its current one, I am announcing my resignation from the committee, effective December 31, 2008. It has been a productive and mostly enjoyable 15 years.

Recycling Committee Report

Average tonnage per month of regular household rubbish throughout the year 2008 amounted to 53.91 Tons.

This is a reduction of about 1.3% against the recommended goal of 10% for the year. This is commendable since it is not any higher than last year, however it is considerably less than expected.

I am sure that the 10% reduction is attainable with a little more effort on the part of each of us.

As you all know that by making sure that all items are placed Where they belong at the Transfer Station, the tonnage that goes through the compacter and gets charged for , will be substantially less.

Your cooperation is hereby respectfully requested.

Now that the Town Maintenance Shed is built and located in the Transfer Station area, everyone can and should make a concerted Effort to make it as neat and clean as possible.

Thank you all, in advance, for your efforts in making your Transfer Station, not only efficient ,but one that we can all be proud of

REPORT OF THE ROLLINSFORD PLANNING BOARD

Calendar year 2008 marked some important changes with the Planning Board. The Board said goodbye to two longtime members, Charles Putnam, Chairman (20 years) and Nancy Carmer, Secretary (14 years). Both dedicated countless hours over many years on the Board working on both the short-term administrative tasks and the long-range planning initiatives. It is with deep gratitude that we say Thank You Charlie and Nancy!

The Planning Board hired a planning consultant to help process applications and to assist with long-range planning initiatives. John Krebs was hired in November having been chosen from a group of highly qualified consultants. Mr. Krebs helped the Board prepare several zoning amendments which have been presented at public hearing and will be acted upon by the voters during the Town elections in March. We welcome Mr. Krebs and look forward to working with him in the years to come.

In its administrative work the Board:

- Granted approval of two minor site plan reviews for home business. (Application of Poplawski, Oak Street - Map 3, Lot 39, Application of Lavoie – Rollins Road - Map 16 Lot 1);
- Granted approvals for three subdivisions (Application of Turgeon, Rollins Road - Map 1 Lot 58; Application of Gage, Silver & Foundry Streets - Map 19, Lot 29.; Application of Hickey, Silver Street - Map 14, Lot 16);
- Granted approval of one site plan review (Application of Churchill Forge Realty Trust -63 unit expansion of Granite Village - Map 1, Lot 1)
- Granted approval of two conditional use permits for wetland and buffer impacts (Application of Janco, Rollins Road - Map 1, Lots 24 & 25; Application of Jalbert, Jesse Doe Road - Map 2, Lot 14-1 S1)
- Granted approval for revised site plan review (Applicant Jalbert & Atlantic Recycling, Jesse Doe Road – Map 10, Lot 14-2 S2)

In 2009 the Board is looking toward the future and will begin an update of the Town Master Plan. The update will likely take several years to complete as the Board takes on a chapter or two per year.

The members of the Rollinsford Planning Board include Al Dionne (term expires 2011); Michael Garrepy (Chairman term expires 2009); Edmund Jansen (ex officio); Aaron Lachance (term expires 2010); Patrick McLin (Vice Chairman, term expires 2009); Leanne Pellerin (Secretary, term expires 2011); and Sheila Reilly (term expires 2010).

If anyone is interested in learning more about the Planning Board and/or is interested in becoming an alternate Planning Board member or Master Plan Committee member please contact us at planning@rollinsford.nh.us

I would like to personally thank the Board members for their hard work and dedication to the community and confidence in me as chairman. I will endeavor to do my best to serve the Town of Rollinsford.

Strafford Regional Planning Commission 2008 Report

Strafford Regional Planning Commission (SRPC), a political subdivision of the State of New Hampshire, serves in an advisory role to Rollinsford and seventeen other communities in Strafford, Rockingham and Carroll Counties. We provide planning services to boards, officials, and citizens and facilitate regional collaborative efforts to fund regional and local projects.

SRPC's staff offers a range of planning services in transportation, land use, hazard mitigation, economic development, natural resources, and geographic information systems (GIS) mapping and analysis. These services are designed to meet the needs of the volunteers who are the foundation of SRPC communities. Our member communities have access to SRPC educational resources including our website, workshops and forums, and personalized training.

SRPC conducted the following projects and initiatives for Rollinsford in 2008:

- Completed a comprehensive Natural Resource Inventory of the Town.
- Updated the Town's Tax parcel data.
- Continued updates of GIS databases, completed annual traffic counts, and created a 2005 land use layer for land use planning and buildout analyses.
- Updated standardized map set including Zoning, Transportation and Conservation Land maps
- Provided 12 *New Hampshire Planning and Land Use Regulation* books with a value of \$624 to land use boards.

In 2009 the NH Charitable Foundation, coordinated through the Piscataqua Regional Estuaries Project, has funded SRPC to prepare an environmental assessment of each Town's land use policies, regulations, and ordinances. SRPC is the Census 2010 Primary Participant for Strafford County. As the federally mandated Metropolitan Planning Organization, SRPC will collect traffic counts, road inventory changes, update the traffic model, provide air conformity analyses, and assist with the development of grant applications for Town projects. We will continue to collaborate with NH DOT, federal agencies and your officials and staff in regard to federally funded transportation programs, NH Ten Year Plan transportation projects and economic stimulus projects for Rollinsford.

We look forward to working with the citizens and officials of Rollinsford in 2009. Thank you for the opportunity to serve you and for your continuing support of regional planning. WATER

Clerk:
Gailann St. Hilaire

Ongoing testing and changes are being done at Porter Well to enhance the arsenic treatment. The problem with the arsenic unit's backwash system has been rectified. We have hired a new engineering firm to aid us in meeting the new arsenic limit on a continuing basis. In order to meet this standard and find the problem with the water quality of the # 3 well at the Porter well site, we have done extra testing and televised the #3 well.

Treasurer:
Julie Gosselin

We also did a zone hydra fracture of this well to open up the lower portion. This should improve the performance of this well until other assessments can be completed.

We also installed new flow and level sensors at General Sullivan Well; as well as changing all the interior piping from this well to the system.

Major leaks were fixed on South St. and Lower Mill Rd. Also five supply lines were fixed which aids in recouping lost water.

Biannual hydrant flushing is done to flush out areas where water does not move on a continuous bases. Also aids in water quality.

As of January 1, 2008 your water rates have increased from a minimum of \$ 55.00 for the first 15,000 gallons to \$ 68.00. The overage will increase from \$ 4.00 each 1,000 gallons to \$ 5.00.

The main reasons for the increase are the increase in the cost of fuel and chemicals, the age of the water system, problems with porter well and federal mandates.

We, as Commissioners have tried to keep the costs down, we have been successful with the sewer but not with the water. Most of these costs are fixed or mandated and therefore out of our control.

Reminders

- Disposing of chemicals or gas in the ground is hazardous to our water supply.
- Leaking toilets can be very costly. It can triple or quadruple your normal water bill.

SEWER

Ongoing process upgrades are being done to the Sewer Treatment Facility, in order to keep pace with EPA's ever changing water quality limits on water entering the Salmon Falls River.

Annual cleaning of the sewer distribution system was accomplished to maintain the quality of the system.

Reminders

- Sump pumps overload the system. They ***CANNOT*** be hooked into the sewer lines. This is a finable offense.

To the voters of the Rollinsford School District:

We are in the second year of a two year agreement with the Rollinsford Teachers Association. The agreement was for a 3.5% increase and additional 2% for the Nurse towards the effort to bring her to 100% of her pay scale. .

We are still continuing to investigate our space needs at the Grade School and plan to have an updated report ready for the March town meeting. We are being directed by petitioned warrant articles to have a review of our current area agreement, look into alternative education for our 7-12 students and possible removal from the area agreement with Somersworth. If you have any opinion on these warrant articles please make sure to come to a school board meeting or the March school district meeting to make your opinions known. We also have by petition a request to have on the town ballot to make the Rollinsford School District SB2. You may read more on this by going RSA 40:13 the warrant article will read as follows "To allow ballot voting on all issues before the Rollinsford School District on the second Tuesday of March 2010. (3/5 vote is required)".

In closing, I would like to thank all the volunteers and staff members that continue to make a difference in the education of our children.

Respectfully submitted,
Denise M. Knowles
Chairperson, Rollinsford School Board

Principal's Report 2008

To the Residents of Rollinsford:

Rollinsford Grade School is a great place to be part of. RGS is full of dedicated, caring teachers and staff, who work hard to do what, is best for the children of Rollinsford. The school is truly part of the community. Most nights at RGS you will see children on the playground, students playing intramural sports; we have Halloween parties, PTO movie nights and pancake breakfasts, an active web group and a Go Green Team. RGS works hard to promote growth in our students cognitively, socially, and developmentally.

This year at Rollinsford Grade School we are fully examining our reading program. We are encouraging students to read more, parents to read with their children, creating book clubs led by community and staff volunteers, and our staff is examining their instructional practices. We are reflecting on our reading curriculum and identifying ways to improve reading instruction. We are investigating the best reading assessments to create literacy profiles for all our students. These profiles will be used to track a student's progress and better adapt our reading program to meet their unique needs.

We are continuing our GOING GREEN theme from last year! Our Go Green Team has won a local contest from *Fosters Daily Democrat* for its continuing efforts to help the environment and our school community. We have new recycle bins for our paper recycling. We are exploring ways to identify wasted water and ways to conserve it by repairing leaking sinks and replacing old toilets with more efficient models. Our UNH intern Matt Polzin is working with our Go Green Team on writing a grant to hopefully improve our facilities to reduce the amount of water used at RGS. With the help of our school Green Team, we are emphasizing and implementing practices that help us reduce, reuse and recycle in order to be more Earth Friendly!

Our School has once again been designated a Blue Ribbon School by the New Hampshire Partners in Education. We were acknowledged because we have a well documented and dynamic volunteer program. This award recognizes the power and impact of volunteers at our school.

Finally, this will be the twelfth full year of the Community Helpers Program. While participating in this community service oriented program last year, students logged over 3,000 service hours! This program absolutely has the potential to make Rollinsford and the world a better place. We are proud that it is a part of the Rollinsford Grade School "experience". Not only are we preparing our students for the future we are helping them shape it now.

I invite you to come to RGS and see for yourself all the wonderful things we are doing. If you cannot make it to the Grade School please check us out at www.rollinsford.k12.nh.us.

Sincerely,

Principal Bill Furbush

AND TO AUTHORIZE THE APPLICATION AGAINST SAID APPROPRIATION OF SUCH SUMS AS ARE ESTIMATED TO BE RECEIVED TO THE DISTRICT;THE SCHOOL BOARD TO CERTIFY TO THE SELECTMEN THE BALANCE BETWEEN THE ESTIMATED REVENUE AND THE APPROPRIATION, WHICH BALANCE IS TO BE RAISED BY THE TAXES IN THE TOWN. Ms. Connolly moved to accept Article 4 as written, and Ms. Boucher seconded. Mr. Spencer stated his opposition to this amount, believing it to be in excess, and suggested going back to last year's budget. Mr. Spencer also requested a secret ballot for which he had already submitted five names in writing. All five people were verified to be in attendance. Mr. Caouette named Ms. Nelson, Mr. Dionne, Ms. Flynn and Ms. Small as tellers and opened the polls. The results of the secret ballot vote were YES – 74 NO – 54. Article 4 passed.

Article 5. TO SEE IF THE SCHOOL DISTRICT WILL VOTE TO APPROVE THE COST ITEMS INCLUDED IN THE COLLECTIVE BARGAINING AGREEMENT REACHED BETWEEN THE ROLLINSFORD SCHOOL BOARD AND THE ROLLINSFORD TEACHERS' ASSOCIATION WHICH CALLS FOR THE FOLLOWING INCREASES IN SALARIES AND BENEFITS

Year	Salary Increase	Benefit Increase	Total Increase
2008-09	\$31,663	\$4,612	\$36,275
2009-10	\$41,824	\$5,788	\$47,612

Ms. DeYoung-Martin moved to accept Article 5. Ms. Dionne seconded. Discussion as follows. How does this bargaining agreement compare to others? This fits into the top 20% with comparable benefits. What's the \$36,275 for? That's a 3% increase in salary and benefits. What does this mean to the budget? It will add on to the amount already passed in Article 4, and it accounts for \$.013 of the tax rate. Mr. Wasson stated his opposition to the increase of 3.5% for next year in the contract. Discussion was terminated by the moderator. Mr. Spencer requested a secret ballot using the same five people that were already verified to be in attendance. The same tellers were named as in Article 4. The results of the secret were YES – 75 NO – 56. Article 5 passed.

Article 6. SHALL THE ROLLINSFORD SCHOOL DISTRICT, IF ARTICLE FIVE IS DEFEATED, AUTHORIZE THE GOVERNING BODY TO CALL A SPECIAL MEETING, AT ITS OPTION TO ADDRESS ARTICLE FIVE COST ITEMS ONLY? Article 6 was deemed a moot point

Article 7. TO SEE IF THE SCHOOL DISTRICT WILL VOTE TO RAISE AND APPROPRIATE THE SUM OF UP TO \$25,000 TO BE PLACED IN THE SCHOOL BUILDING IMPROVEMENT CAPITAL RESERVE FUND PREVIOUSLY ESTABLISHED, WITH SUCH AMOUNT TO BE FUNDED FROM THE YEAR END UNDESIGNATED FUND BALANCE SURPLUS AVAILABLE JULY 1 OF THIS YEAR. Ms. Small moved the article. Ms. Laurion seconded. The board was asked to state the amount currently in the account. Ms. Knowles stated you would find the amount of \$32,834.74 in the Town Report to which \$25,000 needed to be added for a total of \$57,834.74. Voice vote carried the motion.

Article 8. TO SEE IF THE SCHOOL DISTRICT WILL VOTE TO RAISE AND APPROPRIATE THE SUM OF FIFTY FIVE THOUSAND DOLLARS (\$55,000) FOR THE SPACE NEEDS STUDY FOR THE ROLLINSFORD GRADE SCHOOL AND AUTHORIZE WITHDRAWAL OF SAME SUM FROM THE SCHOOL BUILDING IMPROVEMENT CAPITAL RESERVE FUND. Ms. DeYoung-Martin moved the article. Ms. Connolly seconded. Discussion as follows. Is this a wash item with no impact on the budget? Yes. What is the study for? This study is to establish the difference between building a new school v.s. adding on to the existing building and will include all of the operating systems in depth. Discussion ended. A voice vote carried the motion.

Article 9. TO SEE IF THE SCHOOL DISTRICT WILL VOTE TO ESTABLISH A SPECIAL EDUCATION CAPITAL RESERVE FUND UNDER THE PROVISIONS OF RSA; 35:1-b FOR THE PURPOSE OF SUPPORTING THE EDUCATION OF EDUCATIONALLY DISABLED CHILDREN AND FURTHERMORE TO SEE IF THE DISTRICT WILL VOTE TO RAISE AND APPROPRIATE UP TO FIFTEEN THOUSAND DOLLARS (\$15,000) TO BE PLACED IN SAID FUND WITH SUCH AMOUNT TO BE FUNDED FROM THE JUNE 30TH UNDESIGNATED FUND BALANCE FOR TRANSFER ON JULY 1ST. Ms. Connolly moved the motion. Ms. Dionne seconded. Discussion as follows. Will there be any additional impact on the tax rate? No, it only comes from excess funds which will be distributed first to the Capital Improvement fund. Is there a surplus estimate? No, the budget is frozen at this time. This vote is only to establish the fund. Will there be a special meeting required to spend from this account? No. Discussion terminated. Voice vote carried the motion.
